## Why Pre-Register?

The answer is easy-- to save money!

Pre-registration is always cheaper than registering on-site. However, when we register and buy event tickets in advance, the convention committee can better plan to meet everyone's needs as well as remain self-supporting.

Our Seventh Tradition states "Being self-supporting is an important part of our new way of life."

**For Our Pet Lovers: Fees do apply with all animals; check with hotel for more information**
